Tool for finding local sales tax rates and codes

Operate your retail business knowing you are always charging your customers the right amount of sales tax. With our Tax Rate Lookup tool, all you need is the physical address or zip+4 of your business location or ship-to address. You will receive the local sales tax rate, corresponding local tax code, and a confirmation number so you can operate with confidence knowing your sales tax rates are correct.

We also offer a mobile version of our Tax Rate Lookup tool for download on both iOS and Android platforms, perfect for those constantly on the move or on the work site. Our Tax Rate Lookup tool can be found by going to our web site at dor.wa.gov/TaxRateLookup.

No Quarter 4 tax rate changes

Local tax rate change can no longer take effect on October 1st of the calendar year. HB 2565 (Chapter 46, Laws of 2016) limits tax rate changes for local jurisdictions to January 1st, April 1st and July 1st of each calendar year. RCW 82.14.055.

Surcharges (including "Living Wage" additions)

Some businesses add surcharges to their bills to cover expenses such as higher minimum wages, fuel costs or credit card fees. If your business is considering adding an additional charge to your invoices to help cover added expenses, you'll need to know the taxability of such surcharges. Generally, the surcharge is taxable in the same manner as the main billing. For example:

- If a surcharge (including a "Living Wage" surcharge to offset the cost of having to pay their workers a higher minimum wage) is placed on a restaurant bill, it is subject to retail sales tax and retailing B&O tax.
- If a surcharge is added to a bill for attorney fees, the surcharge would be subject to the B&O tax under service and other activities classification.
- If a surcharge is added to a bill from a moving company for hauling property from one point to another point in this state, the surcharge would be taxable under the appropriate classification of the public utility tax.

Suggestions for retailers regarding collected sales tax

It is recommended that retailers:

- Set up a separate bank account and deposit the collected sales tax into this account so that you have the funds available at the time your tax return becomes due.
- If opening a separate bank account is not an option, we suggest you make it a practice to physically separate retail sales tax from other business revenues.
- If you are assigned an annual or quarterly reporting frequency and are concerned about holding retail sales tax (held in trust) for an extended period of time, contact the Department and request to have your filing frequency changed to monthly or quarterly. This will lessen the burden of managing retail sales tax (held in trust), by increasing the frequency of remittance to the Department.

Do I owe use tax?

If you buy taxable items to use in Washington and you don't pay sales tax, then you owe use tax. This is true whether you are shopping online, from a catalog, or in a no/low tax state. The amount of use tax you owe is the same as the amount of sales tax that should have been paid. Visit dor.wa.gov and type "use tax" in the search box for more information.
